## 9 ART EVENTS TO ATTEND IN NEW YORK CITY THIS WEEK

**Opening: David Medalla at Venus**

The second exhibition at Venus of work by the seminal kinetic and participatory artist David Medalla, this show will provide a holistic overview of Madella's artistic practice, featuring paintings, photographs, sculpture and ephemera. It will also include two versions of *A Stitch in Time*, the artist's influential piece in which needles and spools of colored thread are availed to gallery goers,

allowing them to stitch messages on fabric. Photos documenting previous incarnations of the piece in front of various attractions around London will also be on display.

*Venus, 980 Madison Avenue, 6–8 p.m.*
