5 Things to Do in New York's Art World Before April 20

Talk: Peter Saul in conversation with Joe Bradley at Neuehouse

Now, here's an interesting pairing. Peter Saul, who has a mad funhouse of a show up at Venus Over Manhattan, will be talking to one of this decade's most prominent market

darlings, Joe Bradley. The invitation tells us the chat will cover topics such as "painting today, the intersection of art and politics, and the impact of early versus later life recognition," so they could really be talking about, well, anything.
